PLACEMENT DRIVE & CANDIDATE APPROVAL MANAGEMENT SYSTEM

Project Blueprint and Engine Decomposition

Included engine	Role responsibility
Placement Workflow Engine 1	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 2	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 3	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 4	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 5	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 6	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 7	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 8	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 9	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 10	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 11	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 12	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 13	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 14	Concurrency Engine, Candidate application and slot allocation
Placement Workflow Engine 15	Concurrency Engine, Candidate application and slot allocation
